

Drucken Sie die Schnittmusterseiten auf DIN A4 Papier aus. Achten Sie dabei darauf, dass das Druckergebnis in den Druckereinstellung nicht skaliert wird. Das Kontrollkästchen sollte genau 1 cm auf allen Seiten betragen.

Mit PATTARINA musst du Schnittmuster nicht mehr ausdrucken und kleben, sondern kannst sie direkt mit dem Handy auf den Stoff übertragen.

In 3 Schritten zum Schnittmuster:

1. Lade dir die PATTARINA-App im Play Store oder App Store herunter.
2. Drucke den Anker auf www.pattarina.de aus.

Fadenlauf

4,5

The image shows a technical drawing of a corduroy collar (Fadenlauf). It features a solid black line and a dashed black line, both forming a shape that resembles a collar or a neckband. The solid line starts at the top left, curves down and to the right, then goes down and to the left, and finally goes down and to the right. The dashed line follows a similar path but is slightly offset from the solid line. The number '4,5' is printed in the center of the drawing. The drawing is set against a background of a coordinate system with a vertical and a horizontal axis.
